July, We have had a wonderful week at the Pinewood home. The weather was perfect the first few days and then became vry hot the rest of our stay. June/July This was our first stay at Pinewood and we couldn't have chosen a more lovely home away from home. The weather was very HOT, temps near 100 but that didnt stop us from cooling off in the lake. St. Germain is a quaint little town whose fireworks for the 4th of July celebration were A<AZIMH. Even Madison isn't quite as spectacular. Despite the heat , and a brief power outage, and a few storms, we had a wonderful time and are looking forward to visiting again. Thanks for the memories
